

EVENT: ESA CAREER DAY IN LATVIA ON 15 MAY 2024

The poster features a black background with a vibrant green and blue light gradient on the left and right sides. At the top right is the ESA logo. Below it, the text 'PART OF: DEEPTECH ATELIER' is displayed in white, with 'PART OF:' in green. The main title 'ESA CAREER DAY IN LATVIA' is in large, bold, green letters. Below the title, the date and time 'MAY 15, 2024 | 3 PM EEST' are enclosed in a white rounded rectangle. At the bottom, the location 'FANTADROMS | GUSTAVA ZEMGALA GAT. 76, RIGA' is written in white.

Value Through Knowledge

Career Day will be held within the framework of the Deep Tech Atelier Conference. Latvia, as an associated Member State of ESA since 2020, provides its citizens with access to the same career opportunities as Member States.

- Explore opportunities for student internships and careers at ESA.
- Learn about job opportunities offered by ESA and hear from ESA employees about their work firsthand.
- Gain insight into ESA's operations and learn about their recruitment criteria and application process.
- Join us to discover the diverse career paths and exciting opportunities available at ESA!

Target audience of the event:

- students and recent graduates
- professionals at any stage of their career
- anyone interested in space and career in ESA.

Presenters:

- **Andrew Kane**, former trainee of the ESA YGT programme, who now works for ESA as coordinator of student programs;
- **Emīls Senkāns**, trainee of ESA's Young Graduates Trainee Program from Latvia;
- **Gertrud Talvik**, ESA engineer from Estonia, who has been working for ESA since 2017 with the new Member States;

Register here

We also invite you to register and attend the *Deep Tech Atelier* conference on 16-17 May, where the themes are also dedicated to the space industry and other areas of smart specialisation, highlighting biotechnologies. Register for the conference here: <https://deeptechatelier.com/>
